# Comments on
# Pluri-canonical systems of algebraic varieties
# of general type of dimension $\leqq 5$.

Tetsuya Ando

All the results of this article are imploved in:

[F] Shigeta Fukuda, A note on Ando's Paper "Pluri-canonical systems of algebraic varieties of general type of dimension $\leqq 5$, Tokyo J.Math, **14**, No.2, pp.479-487.

My article has a gap in a proof. It is also improved in [F]. Please read [F] instead.
